Date	Description	Amount (s)	Balance (s)
14 Mar	Turbulence Cover	-25,351	126,366,889
	The premium was printed with the cover period one month short, because the form had last year's final page stapled in front of this year's first. The page has come out, the period has been restored, and no journey in between was left uninsured. Ref. CIBT-3028-EDB5-1		
16 Mar	Slippage fee (Io, 5 transfers)	-3,000	126,363,889
	No fee was taken on 5 of the crossings, since they were sent from Hall E on the morning its own clock had been set. The waiver covers those crossings only, and the officer has written that it should not be relied on again. Ref. CIBT-3028-6F8C-2		
18 Mar	Transfer to own account: Io	-15,819,552	110,544,337
	Titan Methane Works sent a salary advance in error. The Bank returned it, the employer sent it again, and the Bank returned that too. The third advance was accepted, and is shown here as a single line with the notes of both returns kept on file. Ref. CIBT-3028-D03F-2		
26 Mar	Payroll credit: Titan Methane Works	+1,098,812	111,643,149
	Checked at the window, then checked again at your request, the wages from Titan Methane Works came out right both times. The Teller says the figure was right both times, and that you have now seen it right twice, which is more than most people manage with their own pay. Ref. CIBT-3028-CCC8-2		
27 Mar	Lyric Licensing Desk	-44,887	111,598,262
	A renewal waited 28 days while the Desk established whether another holder, on another world, had licensed a verse with the same first line. He had, and the two verses went their separate ways after it. The Desk has noted the coincidence and asked nobody to make anything of it. Ref. CIBT-3028-B908-2		
31 Mar	Interest at 4.80% APY	+505,568	112,103,830
	Interest is worked on the Standard day and posted by the clock at Hall E, which keeps its own, so the interest line and the Standard reckoning are never quite the same width. The figures have been placed side by side so that the difference can be seen without being explained. Ref. CIBT-3028-CE45-6
