Branch Hall E, Pallas Ring 10
Clock Pallas Ring 10 local

Opening balance	Credits	Debits	Closing balance
15,977,952 s	**+187,487 s**	**-390,527 s**	**15,774,912 s**

Date	Description	Amount (s)	Balance (s)
02 Jun	Transfer to own account: Phobos	-303,549	15,674,403
	Your statement called this a service charge. It was a service that had been charged, which is a different thing in the ledger and the same sum in your pocket. The description has been amended. The figure, 0.30 s, stands. Ref. CIBT-3020-0BDD-7		
03 Jun	Payroll credit: Belt Ore Consolidated	+127,570	15,801,973
	Audit note on the Belt Ore Consolidated pay for 3018: the credits were posted in the order received rather than the order earned. Both orders have been kept, and the gap between them is explained in one line on the reconciliation. Ref. CIBT-3020-5989-0		
10 Jun	Turbulence Cover	-10,436	15,791,537
	No surcharge is taken on this premium for the Phobos route, since the carrier ran it at an hour nobody had bought a ticket for. The underwriter did not feel you should pay for the empty seats of someone else's timetable. Ref. CIBT-3020-0BBB-3		
26 Jun	Transfer to joint account	-76,542	15,714,995
	The standing transfer to the joint account was held for 28 days while the holders' two signatures were compared. Both were genuine. They had been made years apart, in the same hand, and the comparison took some time to believe it. Ref. CIBT-3020-1970-6		
30 Jun	Interest at 4.50% APY	+59,917	15,774,912
	You have never asked for your interest to be paid out. The Bank has come to regard this as a settled view, and shares it, since interest left on deposit has not yet made up its mind where it would like to go. Ref. CIBT-3020-3AA6-2

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
