Period 1–30 June 3023
Branch Hall E, Pallas Ring 10
Clock Pallas Ring 10 local

Opening balance	Credits	Debits	Closing balance
10,425,466 s	**+166,665 s**	**-326,994 s**	**10,265,137 s**

Date	Description	Amount (s)	Balance (s)
11 Jun	Payroll credit: Belt Ore Consolidated	+127,570	10,553,036
	You take the Belt Ore Consolidated credit in sols rather than seconds, and pocket the coins at the window before the slip is signed. The officers have stopped asking whether this is intended and now count out your change in a different order. Ref. CIBT-3023-B125-8		
12 Jun	Transfer to joint account	-76,542	10,476,494
	Belt Ore Consolidated pays your share into the joint account on the 12th by one standing instruction and Hollis Grisolm-Lindqvist's share on the 12th by another. A clerk checks the two against each other for the pleasure of it, and has asked for a larger ledger. Ref. CIBT-3023-5C04-0		
19 Jun	Turbulence Cover	-11,456	10,465,038
	The premium on the last statement was calculated on the route's old length, before the lakes were redrawn on the chart. It has been restated on the present distance, and the difference of 0.30 s is credited on its own line. Ref. CIBT-3023-DA5F-6		
20 Jun	Slippage fee (Phobos, 2 transfers)	-600	10,464,438
	The 2 crossings this month were held at the Phobos relay for 29 days while it waited for the interval the manual calls "the sensible gap". The gap has now passed, and the seconds are on their way. Ref. CIBT-3023-F51F-2		
25 Jun	Transfer to own account: Phobos	-238,396	10,226,042
	The transfer shown as "for services" was described in error. It was a payment for a service not yet performed, and the Bank has recorded it as a loan. The loan appears on your next statement with its terms. Ref. CIBT-3023-AE87-5		
30 Jun	Interest at 4.50% APY	+39,095	10,265,137
	Interest is credited on the 30th of each month for every month the account has been open, including the months in which you were asleep, the Bank having decided not to make an exception of you. Ref. CIBT-3023-2021-7		

Closing balance, month by month

Highest 15,244,947 s · lowest 10,265,137 s

July 3022 June 3023

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
