Clock Pallas Ring 10 local

Opening balance	Credits	Debits	Closing balance
10,053,475 s	**+1,300,652 s**	**-508,542 s**	**10,845,585 s**

Date	Description	Amount (s)	Balance (s)
05 Jan	Transfer to joint account	-76,542	9,976,933
	At Delhi Sector a joint payment is made to the account as one sum and divided by the local office, which does not recognise a split. The Bank has sent it that way for 43 years, and the holders accept being paid as one thing on that world. Ref. CIBT-3024-3280-6		
24 Jan	Deposit: Hall E	+1,262,952	11,239,885
	Belt Ore Consolidated's clerk stood at the window while the deposit was counted, hat in both hands, and said nothing until the total was read out. Then he said "good", and went back to the firm, which the window understands has been waiting to hear it. Ref. CIBT-3024-9633-4		
26 Jan	ATM withdrawal: Delhi Sector	-259,200	10,980,685
	Filed for the auditors: the withdrawal at Delhi Sector carries the branch's own reference, which the machine is not able to print. The reference was added by hand, and the machine's log agrees with the hand. Ref. CIBT-3024-50C1-8		
30 Jan	ATM withdrawal: Delhi Sector	-172,800	10,807,885
	The statement previously read 172,800 as the sum withdrawn. That was the sum requested. The sum paid was 2 Standard days, and the difference was never taken from your balance, so the figure on this line is the one to keep. Ref. CIBT-3024-BD0E-2		
31 Jan	Interest at 4.50% APY	+37,700	10,845,585
	"The interest is the easy part," the Teller says. "It is the balance that surprises people, and the balance only does what the interest tells it to." The same depositor has heard this for 4 years and has never disputed it. Ref. CIBT-3024-AAB4-9		

Closing balance, month by month

February 3023 January 3024

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
