Clock Pallas Ring 10 local

Opening balance	Credits	Debits	Closing balance
30,194,527 s	**+340,540 s**	**-4,396,315 s**	**26,138,752 s**

Date	Description	Amount (s)	Balance (s)
13 Dec	Turbulence Cover	-13,500	30,181,027
	A passenger's delay was entered on the carrier's form under a cause the form had no box for. The underwriters have since added the box, and the delay has been paid under it, retroactively, which the Bank has never before done for a box. Ref. CIBT-2948-A820-4		
14 Dec	ATM withdrawal: London Sector	-259,200	29,921,827
	Your monthly withdrawal rises by 0.968 of a day each year, a rise you asked for in 2947. The machine has applied it without comment since, and has never once needed reminding. Ref. CIBT-2948-5D2E-5		
23 Dec	Transfer to own account: London Sector	-3,950,815	25,971,012
	The transfer from Priya Valderrama was sent with a reference in days and a sum in seconds, and the clerk at Hall E asked for both to be the same. They were not. The sum has been posted as sent, and the reference has been left as it came. Ref. CIBT-2948-9097-2		
28 Dec	Payroll credit: Harbourfront Shipping	+219,762	26,190,774
	The slip with this pay said that the enclosed sum was not a bonus. The officer checked it, found that it was not, and asked us to say that the slip was the first document from Harbourfront Shipping to be plain about money without being asked. Ref. CIBT-2948-5D0E-3		
30 Dec	ATM withdrawal: London Sector	-172,800	26,017,974
	The amount on the 30th was first sent as 2 Standard days, which was the machine's estimate, made before the relay had confirmed the balance. The confirmed sum is the one on this line, and the estimate has been struck from the record. Ref. CIBT-2948-073F-9		
31 Dec	Interest at 4.80% APY	+120,778	26,138,752
	Interest on the Harbourfront Shipping staff savings scheme, credited on the 31st of the month. The scheme's office asked that the figure be rounded down rather than up, and it has been rounded down, to the scheme's advantage and not yours. Ref. CIBT-2948-86AD-8

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
