| Date | Description | Amount (s) | Balance (s) |
|---|---|---|---|
| 06 May | Slippage fee (New Orleans Sector, 4 transfers) | -2,400 | 47,665,979 |
| | You time each transfer against the station clock in the window and tell the officer the gap before she has read it out. You have been right on 4 occasions this year, which the officer regards as a respectable average for a customer with a watch. Ref. CIBT-2959-D608-3 | | |
| 12 May | Payroll credit: Harbourfront Shipping | +219,762 | 47,885,741 |
| | A quarterly bonus from Harbourfront Shipping on the 12th of every third month, treated by the Bank as ordinary income. The employer asks that it be called a bonus. The Bank calls it one. Ref. CIBT-2959-E2ED-3 | | |
| 17 May | Transfer to own account: New Orleans Sector | -193,854 | 47,691,887 |
| | The sundry waited 29 days in the tray marked "awaiting a reason", because the reason was written on the back of the slip and nobody had turned it over. It has now been turned over. Ref. CIBT-2959-89A9-2 | | |
| 28 May | Turbulence Cover | -17,275 | 47,674,612 |
| | On the Venus Cloudport run the turbulence is measured in the deck's own minutes, which the underwriter converts to ours at a rate he calls generous and the carrier calls its own. The premium is shown on both sides of the page, and neither side agrees with the other. Ref. CIBT-2959-FA3D-1 | | |
| 31 May | Interest at 4.80% APY | +190,673 | 47,865,285 |
| | Each month the interest is paid to a children's home at New Orleans Sector by a standing instruction you gave in 2954, so the first line of every statement is a sum leaving the account. The home sends back a card with a drawing of a clock, which is not yet on the branch wall. Ref. CIBT-2959-1F89-9 | | |

June 2958 May 2959

*Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.*
