Date	Description	Amount (s)	Balance (s)
04 Aug	Transfer to own account: New Orleans Sector	-2,610,565	23,775,612
	The sundry was charged to the New Orleans Sector branch in error and passed back to you by its officers, who wished it recorded that they were doing so with a straight face. Ref. CIBT-2972-7DB1-0		
07 Aug	Turbulence Cover	-7,731	23,767,881
	The claim was reopened when the carrier revised the delay upward after the first estimate had been filed. The revised figure is correct, and the policy pays by the minute, so the additional minutes have been paid. Ref. CIBT-2972-8471-4		
15 Aug	Payroll credit: Harbourfront Shipping	+219,762	23,987,643
	Harbourfront Shipping was closed on the 15th for its own founding, and the wage was credited the day after with a card that reads "in honour of a very old arrangement". The Bank has honoured the arrangement, whatever it was. Ref. CIBT-2972-8974-2		
16 Aug	ATM withdrawal: New Orleans Sector	-259,200	23,728,443
	The relay between New Orleans Sector and the branch passed this withdrawal on with a note that read "as before". The Bank took it to mean the same instruction as last month, and the withdrawal was carried out on that footing. Ref. CIBT-2972-5961-5		
26 Aug	Slippage fee (New Orleans Sector, 9 transfers)	-2,700	23,725,743
	The recurring slippage on the 26th transfer to New Orleans Sector is charged in seconds and not minutes, as it has been since 2971. The 300-second difference is the same each month, and the relay has stopped asking about it. Ref. CIBT-2972-C34B-8		
31 Aug	Interest at 4.80% APY	+105,544	23,831,287
	The depositor has asked the Bank three times in 2970 how interest is calculated, and has each time been given the same answer, which is in the terms. On the fourth occasion he was given the terms themselves. He has not asked since, and the terms have not been returned. Ref. CIBT-2972-66E8-5

September 2971 August 2972

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
