| Date | Description | Amount (s) | Balance (s) |
|---|---|---|---|
| 06 May | Deposit: Hall E | +2,616,058 | 25,840,973 |
| | The deposit was rounded to the nearest 51 seconds at the window and rounded again at the branch, which has a rounding of its own. The two agree to differ by 0.967, and the difference has been credited to the holder, who did not ask for it. Ref. CIBT-2973-9353-5 | | |
| 13 May | ATM withdrawal: Kepler Ring | -172,800 | 25,668,173 |
| | The withdrawal was made at the Harbourfront Shipping office at Kepler Ring, from a machine installed for the company's own staff. The company was billed the fee and declined it, and the Bank has written the line off rather than argue the point with a staff canteen. Ref. CIBT-2973-4EFB-0 | | |
| 31 May | Interest at 4.80% APY | +92,899 | 25,761,072 |
| | A carrier on the Kepler Ring run delivered the rate notice 30 days after the rate took effect. The notice was posted at Hall E the morning it arrived, and the rate is applied from its effective date, since the carrier's lateness is not the account's to pay for. Ref. CIBT-2973-8A69-5 | | |
