Clock Pallas Ring 10 local

Opening balance	Credits	Debits	Closing balance
35,115,395 s	**+777,624 s**	**-94,360 s**	**35,798,659 s**

Date	Description	Amount (s)	Balance (s)
14 Nov	Deposit: Hall E	+417,401	35,532,796
	This is the 14th deposit of the quarter to arrive in the same brown envelope, with the same slip and the same sum written in full. Nobody at the window compares it with the last one any more, since it has never once been different. Ref. CIBT-2973-5D82-0		
16 Nov	Turbulence Cover	-7,960	35,524,836
	Premium for 29 Standard days of cover, rounded down to the whole day as the policy's schedule requires. The part of a day not covered is returned as a credit, which appears in the column on the right. Ref. CIBT-2973-1087-1		
18 Nov	ATM withdrawal: Titan	-86,400	35,438,436
	The machine at Titan dispenses cycles from a tray that holds nothing else. Your withdrawal of One Standard day came from it on the 18th, and the tray was found the next morning with one coin left behind, which the officer on duty has kept in a dish. Ref. CIBT-2973-F318-9		
20 Nov	Payroll credit: Harbourfront Shipping	+219,762	35,658,198
	An earlier line showed this pay as the net figure when it was the gross. The payroll office has sent the calculation, which shows the difference as an allowance for 28 days of unpaid leave that was later cancelled. Ref. CIBT-2973-76B0-6		
30 Nov	Interest at 4.80% APY	+140,461	35,798,659
	The officer found the interest 35 seconds larger than the balance that had been reported, and asked the depositor whether the difference was a gift. The depositor said it was the interest, and the officer agreed that it generally is. Ref. CIBT-2973-AF8B-0		

Closing balance, month by month

Highest 35,798,659 s · lowest 19,758,520 s

December 2972 November 2973

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
