Unit 239, Pallas Ring 10

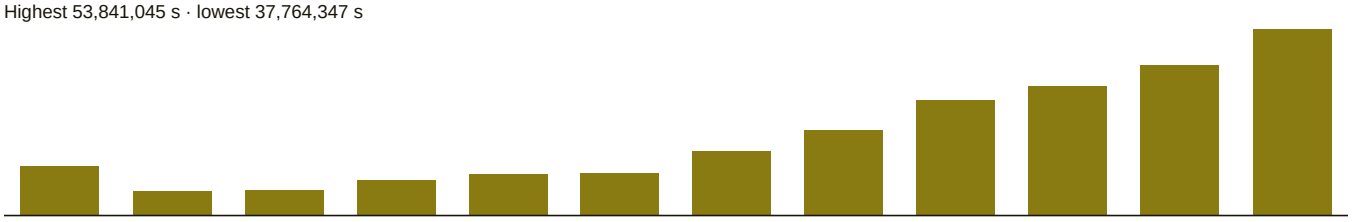

Account 8564-1663-7465
Period 1–31 July 2979
Branch Hall E, Pallas Ring 10
Clock Pallas Ring 10 local

Opening balance	Credits	Debits	Closing balance
50,257,995 s	**+3,783,192 s**	**-200,142 s**	**53,841,045 s**

Date	Description	Amount (s)	Balance (s)
06 Jul	Payroll credit: Harbourfront Shipping	+219,762	50,477,757
	The payroll audit asks for unclaimed wage credits to be listed against each employee. Yours, dated the 6th, was kept in the cubby by the stamp pad until you claimed it, and the line is now closed. Ref. CIBT-2979-6D66-9		
06 Jul	Slippage fee (Kepler Ring, 5 transfers)	-4,500	50,473,257
	The Kepler Ring relay reckons your transfers in turns, the Head Office converts them at the posted rate, and the fee is then charged once, in seconds. The two readings are not allowed to disagree, and on this statement they do not. Ref. CIBT-2979-BEC1-0		
19 Jul	Turbulence Cover	-22,842	50,450,415
	The carrier's delay on the 19th was put down to a shortage of pilots. The explanation was accepted on condition that the pilots be counted; they have been, and there are 7 of them, which the carrier says is plenty. Ref. CIBT-2979-4B09-2		
27 Jul	Deposit: Hall E	+3,362,399	53,812,814
	Harbourfront Shipping sends its deposits by night safe on the last working day of the month, in an envelope marked "wages" and nothing else. The officers take care to use the envelope for nothing else either. Ref. CIBT-2979-6F3A-9		
28 Jul	ATM withdrawal: Kepler Ring	-172,800	53,640,014
	The 28th of every month brings the draw of 2 Standard days, which the machine dispenses at the same minute as the local bell for the first shift. Nobody has asked the machine to do this. It keeps its own timetable. Ref. CIBT-2979-5C11-7		
31 Jul	Interest at 4.80% APY	+201,031	53,841,045
	The fee on the interest has been waived, the interest on this account having exceeded the fee for the first time since it was opened. The Bank takes the view that a charge should not be larger than the thing it is charged on. Ref. CIBT-2979-EC29-2		

Closing balance, month by month

August 2978 July 2979

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
