Opening balance	Credits	Debits	Closing balance
48,448,175 s	**+413,554 s**	**-696,290 s**	**48,165,439 s**

Date	Description	Amount (s)	Balance (s)
06 Dec	Turbulence Cover	-16,058	48,432,117
	The premium on this line was for the Tallinn Sector crossing, which the policy does cover, but it was paid under the number for the Head Office run, which it does not. The number has been moved, and the sum credited to the right route with its own 0.30 s correction. Ref. CIBT-2984-0084-9		
09 Dec	Slippage fee (Tallinn Sector, 2 transfers)	-600	48,431,517
	The relay at Tallinn Sector had a fault in its queue, so your 2 crossings left out of order and arrived in the order sent. They are charged in the order received, which is the one rule the Bank and the relay have ever agreed on. Ref. CIBT-2984-27C6-1		
16 Dec	Payroll credit: Harbourfront Shipping	+219,762	48,651,279
	Harbourfront Shipping has moved its pay office to a station where the shifts run longer than ours. The wage now arrives in two halves on two different days, which the firm's staff have agreed to call one payment. Ref. CIBT-2984-5DDE-3		
29 Dec	Transfer to own account: Tallinn Sector	-679,632	47,971,647
	Your employer's coffee account, Harbourfront Shipping, was transferred to this statement by mistake and returned to the firm, which returned it to you. The sundry balance of 0.973 has been left where it fell, as the firm and the Bank have agreed neither of them needs to move it. Ref. CIBT-2984-FAE0-7		
31 Dec	Interest at 4.80% APY	+193,792	48,165,439
	Your interest is credited on the afternoon Harbourfront Shipping pays its wages, and the two arrive in one envelope with a slip for each. The Teller has asked the firm to put the slips in separate envelopes, so that the interest does not look as though it had been earned by work. Ref. CIBT-2984-070E-5

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
