Opening balance	Credits	Debits	Closing balance
47,293,680 s	**+408,936 s**	**-1,538,672 s**	**46,163,944 s**

Date	Description	Amount (s)	Balance (s)
04 Aug	Payroll credit: Harbourfront Shipping	+219,762	47,513,442
	Harbourfront Shipping sends a sealed envelope with the wages and a copy of its contents, in case the envelope should be lost. The envelope has never been lost. The copy has been filed in the back room twice, once by each officer who was asked to keep it. Ref. CIBT-2989-91F2-6		
06 Aug	ATM withdrawal: Callisto	-259,200	47,254,242
	Harbourfront Shipping pays its staff on the 6th at Callisto, and their withdrawals that afternoon are entered in the staff's own names. Yours is entered in your own name, which the officer at Callisto has noted with some relief. Ref. CIBT-2989-C5C9-4		
27 Aug	ATM withdrawal: Callisto	-259,200	46,995,042
	The withdrawal was made at the Harbourfront Shipping office at Callisto, from a machine installed for the company's own staff. The company was billed the fee and declined it, and the Bank has written the line off rather than argue the point with a staff canteen. Ref. CIBT-2989-9DE9-1		
29 Aug	Transfer to own account: Callisto	-1,020,272	45,974,770
	The Teller asks us to note that she has never once been asked to explain a sundry, only to restate one, and that a restatement is always easier to make. Ref. CIBT-2989-5E77-2		
31 Aug	Interest at 4.80% APY	+189,174	46,163,944
	Interest on the Pallas Ring 10 day was posted late, since the day did not close until the local clock reached the Head Office's midnight, which at Pallas Ring 10 came on the 31st, after the statement had been printed. The interest is paid from the day it accrued. The statement was only late in the way that a clock is late for a meeting it was never told about. Ref. CIBT-2989-49DF-7

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
