Opening balance	Credits	Debits	Closing balance
25,169,498 s	**+100,677 s**	**-416,836 s**	**24,853,339 s**

Date	Description	Amount (s)	Balance (s)
04 Mar	ATM withdrawal: London Sector	-172,800	24,996,698
	The cash for the 4th was sent to London Sector by the supply courier, which runs once a Standard week, and the withdrawal waited 29 days for it to come down. The courier was thanked for the journey, and the cash was paid on arrival. Ref. CIBT-3014-A091-9		
07 Mar	ATM withdrawal: London Sector	-172,800	24,823,898
	Cash on London Sector is subject to that world's rounding, which the Bank does not dispute. The rounding was in your favour by 21 hundredths of a day, and the Bank has kept the hundredths for itself. Ref. CIBT-3014-876C-2		
17 Mar	Transfer to own account: London Sector	-66,436	24,757,462
	This sundry item was posted to the wrong quarter; it belonged to the quarter before, when the document it relates to was issued. The quarters have been put in order, and any interest on it runs from the earlier date. Ref. CIBT-3014-3732-7		
23 Mar	Slippage fee (London Sector, 8 transfers)	-4,800	24,752,662
	Slippage is worked out to the nearest tenth and then rounded again to the nearest whole second on the statement. Both roundings are recorded, and the charge is taken on the second, which is the rule and not a choice. Ref. CIBT-3014-CE56-3		
31 Mar	Interest at 4.80% APY	+100,677	24,853,339
	A fraction of a second was lost when the interest was converted from days, because the conversion table was printed one line too early. The line has been reprinted, and the second is returned, with the Bank's compliments on its arithmetic. Ref. CIBT-3014-2C09-2

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
