Date	Description	Amount (s)	Balance (s)
05 Dec	ATM withdrawal: Ganymede	-259,200	22,175,538
	"Do you mean to take the cash home," the Teller asks, "or only to look at it?" You say you mean to look at it. She says most people do, and that the machine is always pleased to be looked at. Ref. CIBT-2980-BAC5-2		
05 Dec	Transfer to own account: Ganymede	-529,589	21,645,949
	Balance sent to Ganymede and returned within the hour, at the desk's own request, so that the desk could check its clock against ours. The two agree. The charge for the check is 0.30, and it is the only thing in this account that has ever travelled twice. Ref. CIBT-2980-56FB-4		
12 Dec	Payroll credit: the Europa Ice Authority	+108,246	21,754,195
	Your wages from the Europa Ice Authority come in on a Thursday, and by the Friday you have moved a tenth of them to 8564-2108-8977, leaving the rest where it sits. The pattern has held for 10 years, which the Bank calls a budget and the Teller calls a habit. Ref. CIBT-2980-10AC-0		
21 Dec	ATM withdrawal: Ganymede	-86,400	21,667,795
	You have taken One Standard day from the machine at Ganymede on the 21st of every month since it was installed, never more and never less. The machine has come to expect the figure, and the Bank has come to expect you. Ref. CIBT-2980-83F3-9		
31 Dec	Interest at 4.10% APY	+76,652	21,744,447
	Interest was worked out on the counter's abacus and then, at the customer's request, again on the terminal. The two came out a second apart, and the Bank has used the terminal's figure out of deference to the abacus. Ref. CIBT-2980-388C-1
