Opening balance	Credits	Debits	Closing balance
80,629,974 s	**+13,987,764 s**	**-715,777 s**	**93,901,961 s**

Date	Description	Amount (s)	Balance (s)
03 May	Slippage fee (Ganymede, 5 transfers)	-1,500	80,628,474
	A standing order for 5 crossings a fortnight has been checked by the relay's auditors and found to be in order. The fee of 1,500 seconds is unchanged, and the auditors' note that it is the only one of its kind on the register has been filed. Ref. CIBT-2992-F380-9		
08 May	Deposit: Hall E	+13,759,313	94,387,787
	The figure was keyed in 159 d 06:01:53 and posted as 13,759,313, the two describing the same sum in different units. The Bank has checked the conversion, and it holds. The statement now shows both, so that either may be read by the holder. Ref. CIBT-2992-9B46-3		
26 May	Transfer to joint account	-602,807	93,784,980
	Each month you check the joint balance against Hamid Voss's figure in the margin of the statement, and each month the two agree to the second. The officer now writes both figures out for you, which saves you the trouble of asking. Ref. CIBT-2992-D595-5		
26 May	Temporal Health Plan	-25,070	93,759,910
	The reimbursement for 6 sessions was rounded to the whole session, not the minute, so 44 minutes of the last one were paid for and not used. The plan does not propose to take them back. Ref. CIBT-2992-2352-8		
30 May	ATM withdrawal: Ganymede	-86,400	93,673,510
	Your card was declined twice before the machine accepted it, because the first two requests reached the relay before it had caught up with the balance. No fee was charged on the third try, which is the one that worked. Ref. CIBT-2992-7AF0-2		
31 May	Interest at 3.40% APY	+228,451	93,901,961
	You have collected the interest statement in person on the first working day of every period since 2991, and the officer now sets the envelope out before you arrive. Nothing about the envelope has changed, which the officer says is how you like it. Ref. CIBT-2992-DDF4-2		

Closing balance, month by month

June 2991 May 2992

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
