Date	Description	Amount (s)	Balance (s)
03 Jan	Transfer to joint account	-602,807	106,394,642
	Your employer's pay for the month went into the joint account rather than your own, which Hamid Voss says is the first sensible thing Ganymede Heights Infirmary has done. The Bank has posted the credit under both names and has taken no view of the employer. Ref. CIBT-3011-1F6D-8		
06 Jan	ATM withdrawal: Singapore Sector	-259,200	106,135,442
	You count the notes at the machine, then again at the counter, then once more on the way out of the concourse, and each count comes out the same. The officer on duty no longer offers a fourth, since the three are always enough. Ref. CIBT-3011-D0EF-2		
12 Jan	Transfer to own account: Singapore Sector	-1,655,808	104,479,634
	The Teller asks that you not be surprised to find the sundry posted in the wrong colour of ink. It was posted in the right amount, which is the one thing the Bank has ever promised about ink. Ref. CIBT-3011-691C-4		
25 Jan	Temporal Health Plan	-26,703	104,452,931
	A claim for a plaster cast was paid in full, though the cast was removed by the clinic on the 25th, a week before it was due, for reasons the clinic has described as its own. Ref. CIBT-3011-9467-5		
26 Jan	Payroll credit: Ganymede Heights Infirmary	+1,004,678	105,457,609
	The employer deducts 11 d 15:04:38 a month toward its staff leave fund, and the sum is credited back in one line at the year's end. You have never drawn on it, and the company has never asked why. Ref. CIBT-3011-484E-6		
30 Jan	Slippage fee (Singapore Sector, 9 transfers)	-8,100	105,449,509
	Ganymede Heights Infirmary sends its remittances a few seconds before the sum falls due, as a settlement habit, and each one is charged for the difference. The payroll office has asked us to say this is not a complaint about its punctuality, only about its enthusiasm. Ref. CIBT-3011-B6E8-2		
31 Jan	Interest at 3.40% APY	+303,159	105,752,668
	The statement shows the interest rounded to the second, though it accrued to the tenth. Your account is credited with the figure shown, and the tenths are the Bank's, as they have always been. Ref. CIBT-3011-10AD-7		

Closing balance, month by month

Highest 131,901,998 s · lowest 97,757,412 s

February 3010 — January 3011

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
