Opening balance	Credits	Debits	Closing balance
136,129,651 s	**+1,714,315 s**	**-14,966,255 s**	**122,877,711 s**

Date	Description	Amount (s)	Balance (s)
04 May	Payroll credit: Phobos Drydock	+1,294,582	137,424,233
	The Phobos Drydock relay at Phobos was shut for its own founding day, and the wage was held one day and then delivered with a card that says only "with regret". Ref. CIBT-2958-EAAF-5		
20 May	ATM withdrawal: Phobos	-259,200	137,165,033
	The 0.30 s charge on this withdrawal has not been taken. It fell due on the 20th, and on reflection the Bank decided that a fee on an amount this small would inconvenience everyone concerned, including the fee. Ref. CIBT-2958-50C4-6		
28 May	Transfer to own account: Phobos	-14,620,655	122,544,378
	A sundry raised at Phobos on a day the local office keeps its doors shut had to be signed by the duty officer through the grille. The signature is correct, and the officer has asked that the grille be recorded as the place of signing. Ref. CIBT-2958-CE3A-8		
29 May	ATM withdrawal: Phobos	-86,400	122,457,978
	You have used the machine at Phobos on the 29th of every month since it was installed, each time taking the same denomination and walking away before the receipt had finished printing. The officer on the concourse has come to regard this as a settled routine. Ref. CIBT-2958-41F3-8		
31 May	Interest at 3.70% APY	+419,733	122,877,711
	Calculation runs on the balance before rounding and the result is then rounded, a sequence the Bank has kept since 2957 because it gives the depositor the larger figure on the one day of the year when the two would differ. Ref. CIBT-2958-2ED1-2		

Closing balance, month by month

June 2957 May 2958

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
