Period 1–31 December 2963
Branch Hall E, Pallas Ring 10
Clock Pallas Ring 10 local

Opening balance	Credits	Debits	Closing balance
104,828,123 s	**+2,613,275 s**	**-173,700 s**	**107,267,698 s**

Date	Description	Amount (s)	Balance (s)
02 Dec	Payroll credit: Phobos Drydock	+1,294,582	106,122,705
	The Phobos Drydock credit on the 2nd of every month, less the rounding, as it has arrived since 2961. The Bank has come to expect it in the way one expects a clock to strike the hour. Ref. CIBT-2963-37C9-2		
04 Dec	Slippage fee (New Orleans Sector, 1 transfers)	-900	106,121,805
	The seconds shown as lost in transit on your last statement should have read 300. The clerk who entered them counted in minutes. The difference has been credited to this month, and the clerk has been asked to count in seconds, as the statement does. Ref. CIBT-2963-6193-3		
07 Dec	ATM withdrawal: New Orleans Sector	-86,400	106,035,405
	Your receipt goes home with you each time, kept together with a clip with another depositor's name on its tag, so that the balance and the receipt can be found in the same place. The Teller finds this helpful and has never said so. Ref. CIBT-2963-DF3D-9		
10 Dec	Deposit: Hall E	+995,473	107,030,878
	You always deposit your coins in the order you received them, so that the officers may count the oldest first. They have asked whether this is a custom in your family, and you have not said. Ref. CIBT-2963-75D0-6		
23 Dec	ATM withdrawal: New Orleans Sector	-86,400	106,944,478
	You use a staff card from Phobos Drydock at its canteen machine, which draws on your account and is charged to the Bank as a withdrawal. Phobos Drydock asks that its sums be shown as one line a week, so the figure on this statement is the week's total. Ref. CIBT-2963-794A-1		
31 Dec	Interest at 3.70% APY	+323,220	107,267,698
	The conversion fee has been waived, since the rate on the day the interest was earned and the rate on the day it was posted were the same, a rare coincidence in a branch that keeps two calendars. Ref. CIBT-2963-B51A-5		

Closing balance, month by month

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
