Opening balance	Credits	Debits	Closing balance
160,682,012 s	**+1,790,018 s**	**-5,340,915 s**	**157,131,115 s**

Date	Description	Amount (s)	Balance (s)
04 Mar	Payroll credit: Phobos Drydock	+1,294,582	161,976,594
	Your wage from Phobos Drydock was rounded to the nearest whole day. The half-day not paid is recorded as owed to you by the employer, not by the Bank, which said so in writing; after a short correspondence, Phobos Drydock agreed. Ref. CIBT-2965-36A0-2		
13 Mar	Slippage fee (Oakland Sector, 8 transfers)	-2,400	161,974,194
	Phobos Drydock's remittances cross the relay in the afternoon, when the relay is at its busiest, and the fee is charged for the crowd. The fee is 0.30 s on each of 8 crossings, which the relay calls traffic and the Bank calls the usual. Ref. CIBT-2965-177F-3		
14 Mar	Transfer to own account: Oakland Sector	-5,221,588	156,752,606
	Raised on the 14th at Hall E, this sundry was posted late because its form had been used as a bookmark in a ledger that went to Oakland Sector for audit and came home with the bookmark still in it. That is how the Bank found the sundry, and how the ledger found its page. Ref. CIBT-2965-2600-4		
23 Mar	Lyric Licensing Desk	-116,927	156,635,679
	A recital at Oakland Sector is licensed for the length of the local day, which runs 52 hours longer than the Head Office's, so the licence ran out in the middle of the second act. The company has asked to be told which act. Ref. CIBT-2965-F9C5-1		
31 Mar	Interest at 3.70% APY	+495,436	157,131,115
	The Oakland Sector office pays interest in days and bills in seconds, and the two have never once agreed where a month ends. Your credit has been settled on the nearest Earth second, which the local officer calls a truce. Ref. CIBT-2965-4DD1-1

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
