Clock Pallas Ring 10 local

Opening balance	Credits	Debits	Closing balance
108,434,029 s	**+8,274,152 s**	**-92,700 s**	**116,615,481 s**

Date	Description	Amount (s)	Balance (s)
06 Jul	Payroll credit: Phobos Drydock	+1,294,582	109,728,611
	Callisto's day is longer than the Standard day, so the Phobos Drydock credit was split across two posting dates. No fee is taken for the split. The line carries a small mark beside it, which the officers say is the day's own handwriting. Ref. CIBT-2982-F808-3		
13 Jul	Slippage fee (Montréal Sector, 7 transfers)	-6,300	109,722,311
	An earlier line charged slippage in minutes where the crossing was in seconds. The unit has been corrected and the fee of 6,300 s stands; only the label on last month's line was wrong. Ref. CIBT-2982-DC23-9		
15 Jul	Deposit: Hall E	+6,645,232	116,367,543
	An earlier line showed this deposit as made at night and posted in the morning. The figure was restated once the relay's copy had been compared with ours, and the entry moved to the hour the window was actually open; the night safe had no part in it. Ref. CIBT-2982-5657-8		
28 Jul	ATM withdrawal: Montréal Sector	-86,400	116,281,143
	The sum on this line is your expenses float from Phobos Drydock, drawn at Montréal Sector and accounted for on a form that asks you to name every clerk you spoke to. You listed them all, and the form has been filed without comment. Ref. CIBT-2982-7D38-3		
31 Jul	Interest at 3.70% APY	+334,338	116,615,481
	Last month's interest was 33 seconds short, because the rate table had been read one row too low. The row has been corrected, the table reprinted, and the missing seconds credited here in full. Ref. CIBT-2982-DCED-5

August 2981 July 2982

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
