Period 1–31 March 2983
Branch Hall E, Pallas Ring 10
Clock Pallas Ring 10 local

Opening balance	Credits	Debits	Closing balance
129,090,691 s	**+1,692,611 s**	**-9,414,269 s**	**121,369,033 s**

Date	Description	Amount (s)	Balance (s)
02 Mar	Payroll credit: Phobos Drydock	+1,294,582	130,385,273
	The remittance from Phobos Drydock carried your account number written back to front. The Bank credited it correctly all the same, and asks that the employer be told how it was read. Ref. CIBT-2983-9696-6		
08 Mar	Transfer to own account: Venus	-9,249,544	121,135,729
	Fees for the coming three quarters were paid in advance at the counter, and you asked the officer to note the advance on the slip. The officer did so, though there was nothing to note beyond the sum itself. Ref. CIBT-2983-B6B0-8		
21 Mar	ATM withdrawal: Venus	-86,400	121,049,329
	The machine reminds you of the quarterly draw by printing a small card on the morning it is due. The custodian carries the card to the Hall E counter by hand, out of respect for the machine's own sense of timing. Ref. CIBT-2983-2AE3-9		
27 Mar	Slippage fee (Venus, 9 transfers)	-5,400	121,043,929
	Nothing is charged for the 31 days your 9 transfers spent in the Venus queue. The fee is for the crossing, which took 0.30 s, and for nothing else, as the terms require. Ref. CIBT-2983-2AFB-5		
29 Mar	Lyric Licensing Desk	-72,925	120,971,004
	The verse's registered author has asked the Desk to confirm that its licence does not cover whistling. The Desk has confirmed that it does not, and has asked the author not to whistle it at the counter. Ref. CIBT-2983-73DD-6		
31 Mar	Interest at 3.70% APY	+398,029	121,369,033
	The auditors who went through the Hall E ledgers this year asked why this line was one second short of the reckoning. The answer is on file: the first second of the period is not counted, by agreement, and the auditors have accepted it with some reluctance. Ref. CIBT-2983-1F36-8		

Closing balance, month by month

April 2982 March 2983

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
