Quill Umberfield
Unit 43, Pallas Ring 10

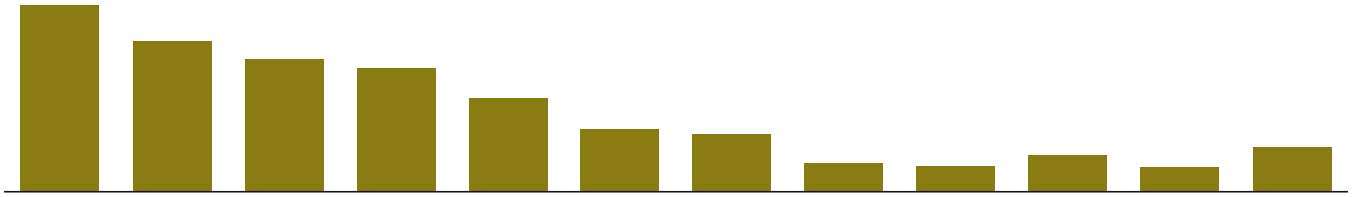

Account 8564-1663-9065
Period 1–31 March 2998
Branch Hall E, Pallas Ring 10
Clock Pallas Ring 10 local

Opening balance	Credits	Debits	Closing balance
7,032,406 s	+1,103,160 s	-433,500 s	7,702,066 s

Date	Description	Amount (s)	Balance (s)
04 Mar	Slippage fee (The Belt, 5 transfers)	-1,500	7,030,906
	The recurring slippage on the 4th transfer to The Belt is charged in seconds and not minutes, as it has been since 2996. The 1,500-second difference is the same each month, and the relay has stopped writing about it. Ref. CIBT-2998-4729-4		
16 Mar	Deposit: Hall E	+915,492	7,946,398
	The Teller says the deposit was the right weight, which she can tell by the hand, and that the hand is no longer used for weighing at Hall E, which she regrets in writing. Ref. CIBT-2998-03AE-3		
19 Mar	Payroll credit: St. Catherine Bakeries	+167,743	8,114,141
	The wage was held for 30 Standard days at The Belt, while St. Catherine Bakeries and the Bank agreed on when the pay period ended. It was then paid in full, with the interest a held wage collects. Ref. CIBT-2998-6C73-7		
28 Mar	ATM withdrawal: The Belt	-259,200	7,854,941
	The cash paid at The Belt on the 28th was dated the day before, because the machine's date register was reset after a fault. It has since been matched to the branch's day, and the line now shows the 3 Standard days as of the day it left the drawer. Ref. CIBT-2998-21B9-2		
30 Mar	ATM withdrawal: The Belt	-172,800	7,682,141
	On the 30th the machine at The Belt offers you the draw it offered last month. You take it, and the machine is left with the impression that you have never once been surprised by it. Ref. CIBT-2998-D541-2		
31 Mar	Interest at 3.40% APY	+19,925	7,702,066
	The rate printed on the statement for the 31st was set in a smaller type than the rest of the line, and the depositor took the small figure as the true one for a fortnight. The type has been enlarged, and the rate is the same as it was. Ref. CIBT-2998-BBF9-9

Highest 12,505,284 s · lowest 7,032,406 s

April 2997 March 2998

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
