Date	Description	Amount (s)	Balance (s)
11 May	ATM withdrawal: The Belt	-259,200	19,207,152
	St. Catherine Bakeries asks its staff to draw cash at The Belt on pay day, and the machine is loaded for the purpose at dawn. Your withdrawal on the 11th was one of the first, taken from the early load. Ref. CIBT-3025-EF55-7		
24 May	Payroll credit: St. Catherine Bakeries	+167,743	19,374,895
	A wage paid in shifts is converted to whole seconds at the posted rate, and any fraction under one second is shown on the statement as a dash. Yours was a dash, which the statement treats as a complete figure and the rule treats as a question still open. Ref. CIBT-3025-F6FF-6		
27 May	ATM withdrawal: The Belt	-86,400	19,288,495
	On the 27th the machine at The Belt offers you the draw it offered last month. You take it, and the machine is left with the impression that you have never once been surprised by it. Ref. CIBT-3025-FB7E-2		
28 May	Deposit: Hall E	+277,096	19,565,591
	The deposit of 277,096 was posted to another holder's account in error on the 28th. It was moved to yours the same afternoon, and the entry was confirmed against the copy the holder kept at home. The other holder has been told, and has replied in the same hand as the apology. Ref. CIBT-3025-DF6D-2		
30 May	New Time™ exchange	+4,168	19,569,759
	"I'll count it once for the recall," the officer says, "and once for me." She does, and the second count comes out a little higher, which she puts down to the pleasure of it. Ref. CIBT-3025-0F46-6		
31 May	Interest at 3.40% APY	+55,154	19,624,913
	Wim Ravensworth says interest is paid for patience and not for performance, and that a statement of it is therefore a form of thanks. The thanks is itemised to the second. Ref. CIBT-3025-4C0E-8
