Date	Description	Amount (s)	Balance (s)
01 Oct	Payroll credit: St. Catherine Bakeries	+167,743	18,114,497
	The 0.30 s conversion charge on this St. Catherine Bakeries wage was refunded. The converter's own office sent a note explaining that it had converted at the rate it was given and had not thought to ask whether the rate was for the day or the week, which it now has. Ref. CIBT-3025-D65A-2		
02 Oct	Transfer to own account: Delhi Sector	-576,535	17,537,962
	St. Catherine Bakeries's share of the transfer fee, 0.30 seconds, was paid in error and has been returned. Its office asks that the error be noted so that it is not repeated next quarter, and it has been noted. Ref. CIBT-3025-6B9E-8		
28 Oct	New Time™ exchange	+19,993	17,557,955
	Exchanges are rounded to the nearest five seconds on the way out and to the nearest whole second on the way in, which the office says is one rule read from each end. The two readings differed by 23 seconds on your slip. Ref. CIBT-3025-A91B-9		
31 Oct	Interest at 3.40% APY	+50,849	17,608,804
	Interest for the Pallas Ring 10 day is credited at close. The Teller says the close is the only part of the day anybody can be sure of: the morning figure is always a little optimistic and the afternoon one always a little late. Ref. CIBT-3025-D0F4-0

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
