Branch Hall E, Pallas Ring 10
Clock Pallas Ring 10 local

Opening balance	Credits	Debits	Closing balance
580,986,049 s	**+5,948,583 s**	**-172,800 s**	**586,761,832 s**

Date	Description	Amount (s)	Balance (s)
07 May	ATM withdrawal: Nairobi Sector	-86,400	580,899,649
	Your standing withdrawal of One Standard day is drawn on the 7th of each quarter for a parking space at Nairobi Sector. The space is shown on the plan as reserved, and the Bank has never been able to find it. The machine has no opinion on the matter and pays regardless. Ref. CIBT-2998-D3CC-3		
13 May	ATM withdrawal: Nairobi Sector	-86,400	580,813,249
	You never draw cash on a Monday. You come in on Tuesdays, when the hall is quiet, and stand where the custodian stands while he services the slot, so that the two of you are often taken for part of the maintenance. Ref. CIBT-2998-A9A7-2		
15 May	Deposit: Hall E	+1,806,184	582,619,433
	Harbourfront Shipping's night-safe deposit reaches the Hall E window in a bag sealed by the firm's own clerk and opened by its auditor before it leaves the building. Both seals are kept, and the sum is counted from inside the bag, where the auditor put it. Ref. CIBT-2998-6563-2		
18 May	Payroll credit: Harbourfront Shipping	+2,205,779	584,825,212
	The largest single credit this branch has handled this year came from Harbourfront Shipping. The Teller asks that it not be mentioned at the counter, and has said so in writing, which is the only instruction on your file that she has ever given that way. Ref. CIBT-2998-A0AA-3		
31 May	Interest at 4.00% APY	+1,936,620	586,761,832
	You ask to see the interest figure before the statement is printed, and the officer shows it across the counter with the pen still in hand. You nod, sign for the statement, and collect the same figure, a little later, in print. Ref. CIBT-2998-AA68-0		

Closing balance, month by month

Highest 586,761,832 s · lowest 445,844,426 s

June 2997 May 2998

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
