Clock Pallas Ring 10 local

Opening balance	Credits	Debits	Closing balance
365,418,868 s	**+3,423,841 s**	**-3,117,108 s**	**365,725,601 s**

Date	Description	Amount (s)	Balance (s)
11 Oct	ATM withdrawal: Montréal Sector	-259,200	365,159,668
	The cashier at Hall E asked whether you had counted the notes yourself at the machine. You had, twice, and she said it was the only sensible thing anyone at the concourse had done all week. Ref. CIBT-3014-6246-0		
22 Oct	ATM withdrawal: Montréal Sector	-259,200	364,900,468
	The line for the 22nd first carried the machine's own number in place of yours, the machine having taken the withdrawal on its own account. The line has been reissued in your name, and the machine has been asked not to hold cash on its own account again. Ref. CIBT-3014-400A-3		
23 Oct	Payroll credit: Harbourfront Shipping	+2,205,779	367,106,247
	No fee on this credit. It arrived at Hall E in a sealed envelope from the Harbourfront Shipping office, and the Bank does not charge for paper that has come the long way round. Ref. CIBT-3014-0B49-3		
28 Oct	Transfer to own account: Montréal Sector	-2,598,708	364,507,539
	You pay the sundry in exact change, counted out on the counter in the order you were taught as a child. The officer checks each one against the next and says nothing, which is how the Bank knows it is being paid properly. Ref. CIBT-3014-1CC3-4		
31 Oct	Interest at 4.00% APY	+1,218,062	365,725,601
	Your employer's pay was credited on the 31st, and interest on it was reckoned from the first second of the month, a date on which the money was not yet yours. The Bank has taken the view that the wages belonged to the employer until they arrived, and so did the interest. The employer has not objected, and the difference has been credited to you as a courtesy. Ref. CIBT-3014-62DA-7

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
