Date	Description	Amount (s)	Balance (s)
01 Mar	Transfer to own account: Bronx Sector	-23,220,218	578,317,408
	The sundry was charged to the Bronx Sector branch in error and passed back to you by its officers, who wished it recorded that they were doing so with a straight face. Ref. CIBT-3022-D576-9		
22 Mar	Slippage fee (Bronx Sector, 7 transfers)	-6,300	578,311,108
	The relay did not record where the 7 crossings started, so the slippage on them was worked from the far end alone. The Bank charges only for seconds it can place, and has placed what it could on the relay. Ref. CIBT-3022-CFC4-5		
30 Mar	Payroll credit: Harbourfront Shipping	+2,205,779	580,516,887
	Harbourfront Shipping asked on the 30th whether its wage could be posted under the date of the work and not the date of the payment. The Bank declined, on the grounds that the work was done in the past and the payment is made in the present, and the payment has been posted under its own date. Ref. CIBT-3022-03DC-3		
31 Mar	Interest at 4.00% APY	+2,005,125	582,522,012
	Your employer's payroll reaches this account on the 31st, and interest runs from the day it arrives, not from the day it left Harbourfront Shipping. The payroll office has been told so and has replied that it is aware of the arrangement. Ref. CIBT-3022-3B73-2

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
