Date	Description	Amount (s)	Balance (s)
01 Oct	Memory Vault: box 24-017, quarter	-259,200	189,956,805
	The quarter's rent on box 24-017 is paid in shifts at The Belt and converted to Head Office seconds on the 1st. The conversion is done to the second, and the difference between the two sums is the one matter about the box the Vault has had to explain twice. Ref. CIBT-2995-37B4-1		
04 Oct	ATM withdrawal: The Belt	-172,800	189,784,005
	The withdrawal on the 4th was made after the local day had closed, so the machine filed it under the following morning. It is dated here to the hour you asked for it, and nothing was charged until the next Standard day. Ref. CIBT-2995-31BE-2		
10 Oct	Payroll credit: Brymar College	+1,375,255	191,159,260
	The crew at The Belt are paid in shifts by Brymar College, and the remittance reaches Hall E already converted. A Teller who has checked the conversion by hand twice reports that it is correct, and that her first figure was the right one. Ref. CIBT-2995-40F0-5		
10 Oct	Transfer to own account: The Belt	-2,363,087	188,796,173
	The Teller says you have never once come to the counter about a sundry in error, and that she has begun to suspect the errors are being kept back for you. She does not say which of you would mind more. Ref. CIBT-2995-4040-7		
12 Oct	Transfer to joint account	-825,153	187,971,020
	The transfer to 8564-5059-6379 is for the upkeep of a shared allotment at The Belt, where a garden has been grown since 2993 for the benefit of a person the Bank has no record of. The garden is paid for in full. Ref. CIBT-2995-8AC0-3		
19 Oct	Slippage fee (The Belt, 7 transfers)	-2,100	187,968,920
	The crossing was held 31 Standard days because the relay observed a holiday that the Head Office had not been told about. The holiday is marked in red on the relay's calendar, and the Bank has asked that red be used on ours. Ref. CIBT-2995-2F31-7		
21 Oct	ATM withdrawal: The Belt	-86,400	187,882,520
	Of the machine at The Belt the Teller says it tells you the balance before you ask, and then tells you again, in case you have forgotten what you asked for. Ref. CIBT-2995-F06E-8		
31 Oct	Interest at 3.60% APY	+570,648	188,453,168
	The branch at Callisto posts interest against its own day, which is longer than ours by a margin the local desk describes as customary. The line falls two days after the one you would expect, and it is in the right place. Ref. CIBT-2995-B0D3-0

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
