Opening balance	Credits	Debits	Closing balance
276,749,096 s	**+2,205,502 s**	**-8,909,512 s**	**270,045,086 s**

Date	Description	Amount (s)	Balance (s)
20 Nov	Payroll credit: Brymar College	+1,375,255	278,124,351
	A wage from Brymar College was credited to a holder with no name on the register. The fraud office asked whether it was the holder it has been chasing for 7 years, the answer was no, and the office has asked that the sum be kept where it can be seen. Ref. CIBT-3000-8445-8		
24 Nov	Transfer to joint account	-825,153	277,299,198
	Nobody has ever asked for the joint account to be divided at the counter, and the Teller says this is the most unusual thing about it. Ref. CIBT-3000-4D05-6		
24 Nov	Transfer to own account: Bronx Sector	-7,997,959	269,301,239
	Your employer, Brymar College, has paid its share of the staff travel allowance into this account as a sundry credit rather than through payroll, as it did last year. Payroll has been asked which system it prefers, and has not yet replied. Ref. CIBT-3000-CA0A-0		
28 Nov	ATM withdrawal: Bronx Sector	-86,400	269,214,839
	A withdrawal of One Standard day is charged in whole seconds, and the machine rounds each figure up when the fee is worked out, not down. The difference of 600 seconds has been charged to you, and the Bank has been unable to find a reason for the rule. Ref. CIBT-3000-5CC2-2		
30 Nov	Interest at 3.60% APY	+830,247	270,045,086
	The 0.30 s account fee was not taken this period. The schedule charges it on balances under a floor set in 2998 and never revisited, and your balance cleared that floor by a margin the schedule did not allow for. Ref. CIBT-3000-A73B-2		

Closing balance, month by month

Highest 299,410,989 s · lowest 256,991,686 s

December 2999 November 3000

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
