Opening balance	Credits	Debits	Closing balance
223,363,258 s	**+2,059,569 s**	**-10,407,046 s**	**215,015,781 s**

Date	Description	Amount (s)	Balance (s)
01 Feb	ATM withdrawal: Singapore Sector	-259,200	223,104,058
	On the first Standard day of each month the machine at Singapore Sector pays 3 Standard days against an instruction given in 2998. It is paid on the same stroke of the concourse clock each time, and the clock has never been asked to hurry. Ref. CIBT-3003-CF7C-7		
04 Feb	Slippage fee (Singapore Sector, 2 transfers)	-600	223,103,458
	The auditors asked why the fee on this line rounds down where the others round up. The relay rounds from the arrival, and this account arrived first, so the rounding is correct and the auditors have said so in writing. Ref. CIBT-3003-9A94-9		
13 Feb	Transfer to joint account	-825,153	222,278,305
	You always ask for the balance in days and then, once it has been read, ask for it again in seconds. The officer now reads both figures before you ask. Ref. CIBT-3003-29B4-3		
14 Feb	Payroll credit: Brymar College	+1,375,255	223,653,560
	Credit from Brymar College, rounded to the lower second. Over the year the rounding rule has left 300 seconds on your side of the ledger. The Bank holds them without interest, as the rule permits, and without comment. Ref. CIBT-3003-B9FB-7		
17 Feb	ATM withdrawal: Singapore Sector	-172,800	223,480,760
	Taken out on the morning Brymar College posted your pay, at Singapore Sector. Cash taken on the day wages arrive is, the officer on the concourse says, the oldest arrangement on the platform, and the machine has never asked for an explanation. Ref. CIBT-3003-612B-7		
20 Feb	Event II restoration adjustment	+14,225	223,494,985
	Restoration adjustment under the Rider. Adjustments of this kind cannot be disputed until the Task Force has published its reasons. Ref. CIBT-3003-1A73-8		
26 Feb	Transfer to own account: Singapore Sector	-9,149,293	214,345,692
	Note for the auditors: this item and the one on the 26th are the same 9,149,293, paid by the same depositor from the same branch on different days. Both are genuine. We have no explanation for the second and have not been asked for one. Ref. CIBT-3003-E0B4-3		
28 Feb	Interest at 3.60% APY	+670,089	215,015,781
	You have asked for the balance to be shown to 21 seconds each month. The Bank does so, and you check the last figure by hand against the rate, which you keep under the signature, where nobody reads it. Ref. CIBT-3003-BED4-3		

Closing balance, month by month

Highest 296,516,555 s · lowest 215,015,781 s

March 3002 February 3003

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
