Date	Description	Amount (s)	Balance (s)
02 Oct	Slippage fee (Montréal Sector, 1 transfers)	-600	255,316,776
	You have never sent a transfer on a Sunday, and the relay, which does not keep Sundays, has asked the Bank to record that it has not been asked to. Ref. CIBT-3003-2C33-7		
10 Oct	Transfer to joint account	-825,153	254,491,623
	The officer on duty at Hall E observes that the joint transfer is the only item on the day's list that nobody has ever asked her to hurry. Ref. CIBT-3003-4F7F-5		
11 Oct	Memory Vault: box 24-017, quarter	-259,200	254,232,423
	When a rent comes out exactly at the midpoint of the quarter, the Vault gives the holder the earlier quarter and charges the later one, so that the box is always paid for a little before it is needed. Ref. CIBT-3003-DC61-6		
20 Oct	Deposit: Hall E	+7,004,899	261,237,322
	Made in the same hand as the withdrawal on the line above it, and the Bank does not charge a holder for changing their mind at the counter. The counter offers that service free and has never once been thanked for it. Ref. CIBT-3003-3448-9		
26 Oct	Payroll credit: Brymar College	+1,375,255	262,612,577
	A transfer to Quill Kestrel-Underhill is drawn from this credit each month, and what remains from Brymar College is left here. Both accounts have agreed the arrangement and it needs no action from us. It is printed on this line so that you can see the wage was not all yours. Ref. CIBT-3003-0C2A-8		
31 Oct	Interest at 3.60% APY	+765,952	263,378,529
	Interest is rounded to the nearest second at the close of the day, and the tenths are carried to the next period, where they have gathered into a sum the officer will not name. Ref. CIBT-3003-C9F1-1

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
