Date	Description	Amount (s)	Balance (s)
03 May	Slippage fee (New Orleans Sector, 6 transfers)	-1,800	459,909,653
	Your employer's remittance crossed from New Orleans Sector on the 3rd, and the fee on it is charged to your account rather than to theirs. The employer's office has asked that the crossing be recorded as its own, and the Bank has recorded it as yours. Ref. CIBT-2995-A881-3		
09 May	ATM withdrawal: New Orleans Sector	-259,200	459,650,453
	A withdrawal of 259,200 at New Orleans Sector was made in days and counted at Hall E in seconds. The Bank does not regard the change of unit as a loss, only as a journey, and the journey took 6 minutes. Ref. CIBT-2995-83F3-5		
19 May	ATM withdrawal: New Orleans Sector	-259,200	459,391,253
	The cash-time line for the 19th at New Orleans Sector was checked against the paper roll in the machine's drum, which has been kept there since 2994. The roll and the line agree, and the drum holds a little more paper than it needs. Ref. CIBT-2995-BB8C-2		
21 May	Transfer to own account: New Orleans Sector	-24,024,427	435,366,826
	The quarterly sundry for the pens kept at the Hall E counter is charged to whoever signed the slip last. This quarter it was you, at 0.30 seconds, which the officers consider fair for pens that have never once run out. Ref. CIBT-2995-6187-1		
30 May	Payroll credit: Brymar College	+2,867,638	438,234,464
	Brymar College has moved its payroll day from the last working day to the first, and has sent the Bank a copy of its new calendar to prove it. The calendar agrees with the new day and disagrees with the old one, which is what calendars are for. Ref. CIBT-2995-DABF-6		
31 May	Interest at 3.60% APY	+1,379,734	439,614,198
	A balance not used for 17 months earned interest at 3.60% APY. No fee was charged for keeping it idle, which the Bank does not usually waive. Ref. CIBT-2995-FFBE-2		

Closing balance, month by month

June 2994 May 2995

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
