Date	Description	Amount (s)	Balance (s)
13 Jan	ATM withdrawal: Venus	-172,800	537,122,628
	The Venus machine pays in days and reports in seconds. Your withdrawal of 172,800 was entered 31 days after it was made, when the local day had caught up with ours, and the sum did not change in the meantime, which the Bank regards as the machine's chief virtue. Ref. CIBT-3000-8594-3		
20 Jan	Transfer to own account: Venus	-36,118,833	501,003,795
	This item was posted twice on the 20th: once at the counter and once at the night safe, which had not been told the envelope was already open. One of the two has been struck. You may keep the other, and the officer asks that you do not try to keep both. Ref. CIBT-3000-D8FB-5		
21 Jan	Slippage fee (Venus, 2 transfers)	-1,800	501,001,995
	The 2 transfers were held 28 Standard days at the relay while the far office confirmed that it had not already sent them. It had, the day before, and they were released on that understanding. Ref. CIBT-3000-F8C1-7		
22 Jan	Payroll credit: Brymar College	+2,867,638	503,869,633
	No receiving charge was made on the Brymar College credit this month, since the advice arrived with the figure already in the right column. The Bank does not charge for a remittance that comes in tidy. Ref. CIBT-3000-08D1-6		
31 Jan	Interest at 3.60% APY	+1,611,886	505,481,519
	The Ceres branch pays interest on a day slightly longer than ours, so this line covers more of the Bank's calendar than the line above it. Both are correct, and the depositor has been asked not to add them together. Ref. CIBT-3000-CBDB-2
