Date	Description	Amount (s)	Balance (s)
14 Jul	Slippage fee (Lagos Sector, 9 transfers)	-8,100	625,081,666
	Your transfers to Lagos Sector are reckoned on the local clock, which the Bank reads each morning and then reads again before lunch. In 3001 the two readings were found to differ by 19 seconds, and the fee of 0.30 s has been charged on the average of the two, which the Bank regards as fair to both clocks. Ref. CIBT-3003-96E4-0		
18 Jul	Payroll credit: Brymar College	+2,867,638	627,949,304
	Checked at the window, then checked again at your request, the wages from Brymar College came out right both times. The Teller says the figure was right both times, and that you have now seen it right twice, which is more than most people manage with their own pay. Ref. CIBT-3003-44E2-1		
21 Jul	ATM withdrawal: Lagos Sector	-259,200	627,690,104
	The standing withdrawal of 3 Standard days is taken at Lagos Sector on the 21st of each quarter, always in the same notes and always by the same hand. The machine has been asked to vary the denomination, and has agreed to think about it. Ref. CIBT-3003-7989-3		
26 Jul	Transfer to own account: Lagos Sector	-47,403,946	580,286,158
	Charges from Brymar College sent through the Bank are rounded to the nearest 53 seconds at the sender's end and again at ours, in opposite directions, so the figure on the line is the one you were expecting and no other. Ref. CIBT-3003-3654-8		
31 Jul	Interest at 3.60% APY	+1,875,269	582,161,427
	The interest for 29 days was kept in a linen sleeve with the corners turned in until the rate could be confirmed, and was then posted at the rate in force on each of those days. Nothing is owed on the wait, the interest having accrued to the account throughout. Ref. CIBT-3003-F8FA-9
