Clock Pallas Ring 10 local

Opening balance	Credits	Debits	Closing balance
290,269,843 s	**+46,492,922 s**	**-86,400 s**	**336,676,365 s**

Date	Description	Amount (s)	Balance (s)
07 Jan	Deposit: Hall E	+42,754,475	333,024,318
	You count your envelope before you seal it and write the total on the outside, so the counter can check it against the slip in the time it takes to say the figure. Most holders have never heard of this method. The Bank has adopted it. Ref. CIBT-3012-4ADD-1		
08 Jan	ATM withdrawal: Venus	-86,400	332,937,918
	The cash waited 29 Standard days in the relay while the Head Office considered whether a sum this regular could be trusted. It decided that it could, and released the cash with a note of apology the length of a page. Ref. CIBT-3012-E7D9-7		
26 Jan	Payroll credit: Brymar College	+2,867,638	335,805,556
	Brymar College sends its wage summary to the Bank at night by a runner, who arrives before the window opens and waits at the step. The summary has never arrived with a blot on it, which the officers attribute to the runner's patience. Ref. CIBT-3012-BD32-3		
31 Jan	Interest at 3.60% APY	+870,809	336,676,365
	The interest for the 31st waited at the Venus relay while its operator finished a letter to his mother, which the relay regards as ordinary business and the Bank regards as the operator's own affair. The interest was released when the letter was sealed. Ref. CIBT-3012-CE6D-6

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
