Opening balance	Credits	Debits	Closing balance
113,523,742 s	**+12,886,797 s**	**-862,571 s**	**125,547,968 s**

Date	Description	Amount (s)	Balance (s)
06 Apr	Slippage fee (Svalbard, 7 transfers)	-6,300	113,517,442
	Your transfer sat 28 days in the relay's inbox, which the operator calls the queue and the Bank calls the inbox, since neither word had ever been checked against the other. Ref. CIBT-3003-0D32-5		
10 Apr	Payroll credit: the Lagrange Four Commissary	+995,119	114,512,561
	The Lagrange Four Commissary changed its legal name in 2998 and asked that the wage continue under the old one. The Bank has paid to both names, which the payroll office calls the most cordial arrangement it has ever made with a name. Ref. CIBT-3003-387B-6		
14 Apr	Transfer to joint account	-597,071	113,915,490
	Teodor Kowalczyk signed the transfer slip with a flourish and you signed it plainly, and the counter has been asked which signature is the legal one. It found both, and the slip is filed under the one Teodor Kowalczyk reads first. Ref. CIBT-3003-23FE-8		
18 Apr	ATM withdrawal: Svalbard	-259,200	113,656,290
	The counter remarks that the machine at Svalbard has never been seen to smile, but has been seen to dispense, which it considers the more useful habit in a machine. Ref. CIBT-3003-2DA0-9		
20 Apr	Deposit: Hall E	+11,551,107	125,207,397
	No handling charge applies to this deposit. Coins of mixed origin usually attract one, but yours had all been sorted by denomination, and the Teller regards that as a kindness to the staff. Ref. CIBT-3003-2937-1		
30 Apr	Interest at 3.60% APY	+340,571	125,547,968
	Interest on the Callisto balance travels by the slow ice route, so it arrives a few days after it was earned and is credited with the earlier date. The Bank has accepted the earlier date with the good grace the ice has not always shown. Ref. CIBT-3003-B636-3		

Closing balance, month by month

Highest 128,769,327 s · lowest 83,255,473 s

May 3002 April 3003

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
