Clock Pallas Ring 10 local

Opening balance	Credits	Debits	Closing balance
219,333,799 s	**+2,294,217 s**	**-16,723,797 s**	**204,904,219 s**

Date	Description	Amount (s)	Balance (s)
02 Jul	Payroll credit: St. Catherine Bakeries	+1,581,383	220,915,182
	A wage that falls exactly on the half-second is rounded down by the firm and up by the Bank, and the 50 seconds of difference go into a small tray in the vault marked for later. The tray has been there since 3026 and has grown a little by interest. Ref. CIBT-3027-D846-4		
10 Jul	ATM withdrawal: Callisto	-86,400	220,828,782
	You take your withdrawals in the smallest denomination the machine offers and carry them home folded in a coat pocket. You unfold each one at the Hall E counter to ask whether it is still the same sum, and it always is. Ref. CIBT-3027-0C7C-1		
10 Jul	ATM withdrawal: Callisto	-172,800	220,655,982
	The first note the machine offers is left in the slot, every time, for the next customer; the second is yours. Ref. CIBT-3027-B367-0		
13 Jul	Transfer to own account: Callisto	-16,205,397	204,450,585
	A second copy of a statement that had gone astray in the post was charged at 0.30 s. The Teller remarked that the first copy was the one that had been mislaid, and that the second had been in her drawer all along. Ref. CIBT-3027-C9FA-3		
22 Jul	Memory Vault: box 74-267, quarter	-259,200	204,191,385
	Each quarter you ask the custodian to confirm that box 74-267 is exactly where the register puts it. The custodian confirms it, then, unasked, turns the register round so that you can read the entry yourself. Ref. CIBT-3027-776F-8		
31 Jul	Interest at 3.90% APY	+712,834	204,904,219
	The posting of this interest was entered twice in the first run of the month, once from the branch and once from the relay's copy of the same close. The duplicate has been struck, and the account has not been paid twice for one period. Ref. CIBT-3027-1217-7

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
