Clock Pallas Ring 10 local

Opening balance	Credits	Debits	Closing balance
516,487,758 s	**+4,344,460 s**	**-26,160,846 s**	**494,671,372 s**

Date	Description	Amount (s)	Balance (s)
02 Jun	Payroll credit: the Lunar Freight Co-operative	+2,579,794	519,067,552
	The Lunar Freight Co-operative wages were 30 days late. The remittance had sat on the carrier's manifest while the carrier checked it against the employer's, and both checks came back correct, so the wages were late for exactly as long as the checking took. Ref. CIBT-3003-EF79-9		
02 Jun	Slippage fee (Ganymede, 3 transfers)	-900	519,066,652
	Your folder of slippage lines for the year has 3 crossings this month alone, and it is fastened with a clip that was there before the file was opened. The Bank sees no objection to the folder, and has never been asked to see inside it. Ref. CIBT-3003-CEBC-7		
18 Jun	ATM withdrawal: Ganymede	-172,800	518,893,852
	The fee was not taken on this withdrawal, the local machine having already charged the local office for the same minute. Two charges for one minute are one more than the Bank cares to bear. Ref. CIBT-3003-CFF4-7		
26 Jun	ATM withdrawal: Ganymede	-259,200	518,634,652
	Each year on the 26th the machine pays out exactly the cash-time you asked for, to the second and nothing more, and the balance is carried to the next year as though it had never been touched. The Bank records the request as settled. Ref. CIBT-3003-4880-0		
29 Jun	Transfer to own account: Ganymede	-25,727,946	492,906,706
	The sundry was found in the drawer beneath the stamp pad, where it had waited 30 days with its corners turned up. The corners have been pressed flat and it has been posted, with an apology that cannot be entered. Ref. CIBT-3003-B36A-4		
30 Jun	Interest at 4.10% APY	+1,764,666	494,671,372
	The Lunar Freight Co-operative paid a bonus into this account by mistake. It earned interest for 31 days and was then moved to the wages line, where it was paid, with the interest included. The bonus was more interested in the interest than in the wages, and the Bank has recorded that without comment. Ref. CIBT-3003-3484-9		

Closing balance, month by month

July 3002 June 3003

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
