Period 1–30 June 3003
Branch Hall E, Pallas Ring 10
Clock Pallas Ring 10 local

Opening balance	Credits	Debits	Closing balance
36,262,828 s	**+102,744 s**	**-6,129,523 s**	**30,236,049 s**

Date	Description	Amount (s)	Balance (s)
05 Jun	Transfer to joint account	-205,918	36,056,910
	The L4 Habitat share of the joint interest is credited in watches and converted at the posted rate, which comes to 205,918 a month. Both holders have memorised the figure and check it on a Sunday, as a rite. Ref. CIBT-3003-1269-8		
05 Jun	Transfer to own account: L4 Habitat	-5,548,739	30,508,171
	A sundry line from L4 Habitat is written in the local word for an hour, which the Bank converts to watches without comment. The conversion is at the local rate, and the word is printed in brackets so the station can recognise its own word on the page. Ref. CIBT-3003-9567-7		
09 Jun	ATM withdrawal: L4 Habitat	-172,800	30,335,371
	Wren Halloran asked how long the balance had been wrong. The answer was that it had never been wrong, only held on the wrong line, and that the line is now corrected. Ref. CIBT-3003-B7A2-4		
10 Jun	ATM withdrawal: L4 Habitat	-172,800	30,162,571
	You hold each note to the window before putting it in your coat, and the officer on the concourse has begun to hold the window open for you. The notes have not been found wanting, and the window has not been shut. Ref. CIBT-3003-112A-1		
12 Jun	Temporal Health Plan	-29,266	30,133,305
	Reimbursements are rounded down to the whole watch under the schedule, and the 0.970 remaining is credited against your next premium. The credit appears as a small figure on the statement and is worth, at present, very little. Ref. CIBT-3003-EF7B-8		
30 Jun	Interest at 3.40% APY	+102,744	30,236,049
	The early-withdrawal charge on the interest has been waived. The interest was not withdrawn; it was read aloud at the counter, and the Bank does not charge for reading. Ref. CIBT-3003-DFF4-8

July 3002 June 3003

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
