Standard Time Deposit

Priya Prendergast
Unit 312, Pallas Ring 10

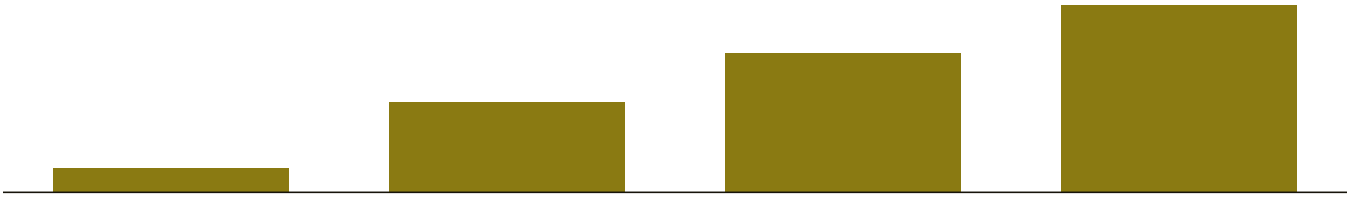

Account 8564-2007-7708
Period 1–31 May 3023
Branch Hall E, Pallas Ring 10
Clock Pallas Ring 10 local

Opening balance	Credits	Debits	Closing balance
2,176,220 s	**+754,106 s**	**-178,233 s**	**2,752,093 s**

Date	Description	Amount (s)	Balance (s)
04 May	ATM withdrawal: Europa	-86,400	2,089,820
	Withdrawal at Europa, where the machine keeps the local day and not the branch's. The two days differ by 54 hours, so the transaction is posted on the day the machine was on, which the officer says is the only honest day to use. Ref. CIBT-3023-1993-4		
12 May	Slippage fee (Europa, 5 transfers)	-3,000	2,086,820
	The schedule works each crossing to four places and drops the fourth, because the posting machine at Hall E has only three columns for seconds. This month the dropped place came to 0.987, which will be dropped again next month, and the Bank expects the account to be exactly right by the year 3031. Ref. CIBT-3023-FF84-8		
12 May	Deposit: Hall E	+597,347	2,684,167
	You have made a deposit at Hall E on the 12th of every month since 3023, and the officers now begin entering it before you reach the window. They call this a formality, and they mean the first. Ref. CIBT-3023-9A74-9		
13 May	Transfer to joint account	-88,833	2,595,334
	The 13th transfer waited 30 days at Europa while the local office argued with its own calendar about whether the holders' names had been spelled the local way. They had been. The calendar was wrong, and has since been corrected in pencil. Ref. CIBT-3023-11B3-5		
23 May	Payroll credit: Phobos Drydock	+148,055	2,743,389
	The wage from Phobos Drydock lands at Hall E a few minutes before the business day opens, and the same officer logs it every month. The Bank has noticed the pattern and has not thought it needed a name. Ref. CIBT-3023-5280-7		
31 May	Interest at 4.80% APY	+8,704	2,752,093
	Europa rounds its interest down to the whole cycle and sends the remainder to the suspense line, where it is held for a depositor not yet identified. Your share of the remainder has been credited to this account as a courtesy, and the branch asks that it not be spent in one place. Ref. CIBT-3023-4CF3-0		

Closing balance, month by month

February 3023 May 3023

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
