Opening balance	Credits	Debits	Closing balance
61,459,399 s	**+189,499 s**	**-941,383 s**	**60,707,515 s**

Date	Description	Amount (s)	Balance (s)
14 Jan	ATM withdrawal: The Belt	-259,200	61,200,199
	The 0.30 s charge on this withdrawal has not been taken. It fell due on the 14th, and on reflection the Bank decided that a fee on an amount this small would inconvenience everyone concerned, including the fee. Ref. CIBT-3009-9352-5		
17 Jan	Temporal Health Plan	-20,373	61,179,826
	A consultation on the 17th was recorded as lasting 27 minutes longer than it did. The provider's notes say the physician was late getting to the room, and that the late start was the provider's fault, not yours. The reimbursement is based on the visit as it happened. Ref. CIBT-3009-B025-1		
19 Jan	Transfer to own account: The Belt	-399,910	60,779,916
	A cheque drawn on the joint account was presented at the counter in the morning and returned in the afternoon, with a note from the Teller: "Not today, but thank you for asking." The Bank has no further record of it. Ref. CIBT-3009-40FF-4		
21 Jan	Slippage fee (The Belt, 3 transfers)	-2,700	60,777,216
	The slippage to The Belt is taken at the station's rate, which resets each time the station turns. The operator asks us to say that the turn itself is free, and that nobody has yet found a way to charge for it. Ref. CIBT-3009-89DE-4		
28 Jan	ATM withdrawal: The Belt	-259,200	60,518,016
	You stand with your back to the Belt machine and turn round only when the sound of the cash changes. The officer on the concourse has timed the change at four seconds on every visit, and the machine has begun making it at four seconds to suit. Ref. CIBT-3009-DC76-8		
31 Jan	Interest at 3.70% APY	+189,499	60,707,515
	Interest was credited at the rate for The Belt, which was not your rate. The correct rate has been applied, and the difference has been added to the next period. Ref. CIBT-3009-76AD-6		

Closing balance, month by month

February 3008 January 3009

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
