Date	Description	Amount (s)	Balance (s)
06 Aug	ATM withdrawal: Kepler Ring	-259,200	37,337,548
	The withdrawal was made at the Lagrange Four Commissary office at Kepler Ring, from a machine installed for the company's own staff. The company was billed the fee and declined it, and the Bank has written the line off rather than argue the point with a staff canteen. Ref. CIBT-3026-495F-5		
14 Aug	ATM withdrawal: Kepler Ring	-259,200	37,078,348
	Your withdrawal at Kepler Ring took 26 minutes to approve, because the machine had to wait for the relay's clock to agree with the account's. The clocks agreed on the 14th, and the withdrawal was then approved in full. Ref. CIBT-3026-5337-3		
25 Aug	Deposit: Hall E	+488,846	37,567,194
	You write the amount on the envelope in figures and then again in words, and the words always run one letter longer than the figures would need. The officer reads the words. The figures have never once been wrong, and the Bank would not presume to tell you how to spell. Ref. CIBT-3026-3054-7		
30 Aug	Temporal Health Plan	-39,478	37,527,716
	Your cover moved from the Lagrange Four Commissary's scheme to a personal plan on the 30th, and the first premium was charged for the whole month. The plan has divided the sum between the two schemes and sent the scheme its share. Ref. CIBT-3026-1549-4		
31 Aug	Interest at 3.70% APY	+115,923	37,643,639
	Rounded line by line, this interest would have come to 57 seconds more. It was rounded once, at the close of the period, because the Bank's rule is one rounding per period, and the Bank has never needed a second one. Ref. CIBT-3026-0C3B-5
