| Date | Description | Amount (s) | Balance (s) |
|---|---|---|---|
| 01 Oct | Slippage fee (Lagos Sector, 6 transfers) | -1,800 | 502,192,439 |
| | The quarterly crossing with Pax Pemberton shows 6 slippage charges, one for each quarter since 3020. The relay says its clock is never adjusted for the quarter, and it has never been asked to explain why. Ref. CIBT-3022-2C18-1 | | |
| 10 Oct | Transfer to own account: Lagos Sector | -6,629,339 | 495,563,100 |
| | The Europa Ice Authority's payroll office sent 6,629,339 to this account in error, believing it to be the account of a former colleague. The sum has been returned to the office, which asked us to confirm that you did not spend it. You did not, and the Bank has said so in writing. Ref. CIBT-3022-AC9F-8 | | |
| 31 Oct | Interest at 4.60% APY | +1,925,077 | 497,488,177 |
| | Under the rule that a sum is only as old as its last posting, interest is rounded down to the whole second on each day and up on the last, so that a month of small amounts comes out even. This month the last day gave 0.972 back, and it has been credited to the account. Ref. CIBT-3022-6ADE-5 | | |

## Closing balance, month by month

November 3021 October 3022

*Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.*
