| Date | Description | Amount (s) | Balance (s) |
|---|---|---|---|
| 04 Oct | Payroll credit: Harbourfront Shipping | +9,685,122 | 1,074,512,659 |
| | The charge for 5 small credits from Harbourfront Shipping in a single day has been waived in full. The office sent them as one batch by mistake, then asked the Bank to split them again at its own expense, and the Bank declined the expense and waived the fee instead. Ref. CIBT-3003-30E5-9 | | |
| 04 Oct | Deposit: Hall E | +152,122,184 | 1,226,634,843 |
| | The deposit came to 152,122,184 with 0.979 of a second left in the envelope's own calculation. The Bank has declined to refund it on the grounds that it was never yours to lose. The officers regard the decision as fair, and have said so in writing. Ref. CIBT-3003-6957-7 | | |
| 08 Oct | Slippage fee (Bronx Sector, 2 transfers) | -1,800 | 1,226,633,043 |
| | Harbourfront Shipping sends its remittances a few seconds before the sum falls due, as a settlement habit, and each one is charged for the difference. The payroll office has asked us to say this is not a complaint about its punctuality, only about its enthusiasm. Ref. CIBT-3003-96C1-5 | | |
| 10 Oct | Turbulence Cover | -12,589 | 1,226,620,454 |
| | The claim was held 30 Standard days because the carrier stopped to let a second carrier pass, and the second carrier was itself late. The delay therefore runs back to the first lateness, and the sum is paid on that basis. Ref. CIBT-3003-738D-8 | | |
| 11 Oct | Memory Vault: box 60-017, quarter | -259,200 | 1,226,361,254 |
| | When Harbourfront Shipping moved its offices to Bronx Sector, box 60-017 did not move with them. It stayed where its holder had put it, and the firm's new address is printed on the receipt as a courtesy. Ref. CIBT-3003-B0AB-3 | | |
| 18 Oct | ATM withdrawal: Bronx Sector | -86,400 | 1,226,274,854 |
| | The Teller at Bronx Sector says the machine seemed to know who was coming in, and had its receipts ready before you reached it. She has put this down to the lighting. Ref. CIBT-3003-735D-5 | | |
| 26 Oct | ATM withdrawal: Bronx Sector | -259,200 | 1,226,015,654 |
| | The Automated Temporal Machine at Bronx Sector is the only one on its world that pays in days rather than in coin. Depositors who use it write about it in the visitors' book, usually as though it were a privilege, and the branch has never corrected them. Ref. CIBT-3003-3B3C-3 | | |
| 31 Oct | Interest at 3.70% APY | +3,283,218 | 1,229,298,872 |
| | The joint account's interest is credited at Bronx Sector first and then here, so that each holder sees it once on the local day and once on ours. The two lines are not the same figure, and neither holder has yet asked which one to believe. Ref. CIBT-3003-8F2F-4 | | |
