Clock Pallas Ring 10 local

Opening balance	Credits	Debits	Closing balance
66,691,046 s	**+1,710,235 s**	**-229,210 s**	**68,172,071 s**

Date	Description	Amount (s)	Balance (s)
12 Jun	Event II restoration adjustment	-54,610	66,636,436
	Event II restoration adjustment. Your account is in restoration group 12; groups are restored in the order the Task Force sets, and earlier groups may be adjusted again. Ref. CIBT-3003-24F3-1		
13 Jun	ATM withdrawal: L4 Habitat	-86,400	66,550,036
	Audit note: the machine's tally for L4 Habitat differs from the withdrawals on this statement by 0.958 watch. The difference is cash-time rounding, which the Committee has accepted since 2999, and the two agree once it is applied. Ref. CIBT-3003-0433-0		
16 Jun	Deposit: Hall E	+1,504,605	68,054,641
	The sum of 1,504,605 was rounded down, not up, because the slip was written in pencil and the counter rounds pencil down. The officer says this is a rule of thumb and not a rule. Ref. CIBT-3003-561C-1		
28 Jun	Slippage fee (L4 Habitat, 6 transfers)	-1,800	68,052,841
	At the L4 Habitat branch a crossing made during the local noon hour is charged half a second less, a concession the officer on duty could not explain and the Bank has kept in place. On this statement the reduction across 6 transfers came to 2,400. Ref. CIBT-3003-E02A-0		
29 Jun	ATM withdrawal: L4 Habitat	-86,400	67,966,441
	The cashier at Hall E asked whether you had counted the notes yourself at the machine. You had, twice, and she said it was the only sensible thing anyone at the concourse had done all week. Ref. CIBT-3003-245A-8		
30 Jun	Interest at 3.70% APY	+205,630	68,172,071
	Part of the interest waited at the L4 Habitat relay while the local office explained that its own day had been split in two for a festival. The second half had to be counted from the first. Ref. CIBT-3003-6881-3

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
