Opening balance	Credits	Debits	Closing balance
89,647,177 s	**+1,014,986 s**	**-3,532,442 s**	**87,129,721 s**

Date	Description	Amount (s)	Balance (s)
04 Jan	Transfer to own account: Delhi Sector	-3,102,745	86,544,432
	A charge of 3,102,745 listed as a transfer to Soren Fothergill was in fact a transfer to Soren Fothergill's account at Delhi Sector, which is a different account. The Bank has written to that holder, who replied that the sum was unexpected and welcome. Ref. CIBT-2991-3CBC-4		
14 Jan	Payroll credit: Interworld Post	+716,163	87,260,595
	Your wages were delayed 30 days because Interworld Post's paymaster was unwell and the deputy's signature was still on the wrong form. The deputy signed on the 14th, and the paymaster, once recovered, asked whether the delay had been noticed. It had. Ref. CIBT-2991-DC73-4		
22 Jan	Transfer to joint account	-429,697	86,830,898
	The transfer due on the 22nd was held 28 days while the second holder's mandate was confirmed by post, since that holder was out of the sector. Both signatures are on file, and the transfer crossed on the 22nd. Ref. CIBT-2991-596E-6		
31 Jan	Interest at 4.00% APY	+298,823	87,129,721
	At the firm's request, the Interworld Post line is paid in days and converted at the close, since the firm keeps its books on that unit. The rounding goes to the firm, which has asked us not to mention it. Ref. CIBT-2991-A126-1

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
