Opening balance	Credits	Debits	Closing balance
207,661,705 s	**+14,747,904 s**	**-1,423,354 s**	**220,986,255 s**

Date	Description	Amount (s)	Balance (s)
04 Aug	ATM withdrawal: Nairobi Sector	-172,800	207,488,905
	The machine dispenses in whole days and rounds your request to the nearest one, so a request for 2 Standard days that falls 0.957 of a day short is paid as the round figure. The difference is credited to you at the Head Office rate, and it has been credited every time. Ref. CIBT-2986-5CD2-5		
04 Aug	Transfer to joint account	-991,354	206,497,551
	One of you pays the transfer each month and the other checks the figure, and at the turn of each year you change places without saying so. The officer has noticed the rota and does not propose to publish it. Ref. CIBT-2986-1C02-1		
07 Aug	Deposit: Hall E	+12,386,136	218,883,687
	The Teller reads the note inside the envelope, which says "for the trip", and states that she has no idea which trip is meant. The sum is correct. She expects the trip will be too, and has credited the deposit with that expectation in mind. Ref. CIBT-2986-6FFB-7		
24 Aug	ATM withdrawal: Nairobi Sector	-259,200	218,624,487
	The machine at Nairobi Sector dispensed 0.963 day and printed the full sum on its receipt. The custodian, who has read a great many receipts from that machine, recommends that you keep yours somewhere dry. Ref. CIBT-2986-E5F0-7		
28 Aug	Payroll credit: Brymar College	+1,652,258	220,276,745
	A standing salary credit from Brymar College, set up in 2983 and paid on the 28th of each month. The contract has been renewed 59 times and the figure has not moved, which the payroll office regards as its finest work. Ref. CIBT-2986-DF80-9		
31 Aug	Interest at 4.10% APY	+709,510	220,986,255
	The reviewer's copy of this line reproduces to the second from the balance, the rate and the period. The reviewer has noted that the balance was never in doubt, and has asked for this to be written in the margin as a sign of good health. Ref. CIBT-2986-7C55-5		

Closing balance, month by month

September 2985 August 2986

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
