Opening balance	Credits	Debits	Closing balance
228,230,497 s	**+2,432,045 s**	**-1,635,468 s**	**229,027,074 s**

Date	Description	Amount (s)	Balance (s)
08 May	Payroll credit: Brymar College	+1,652,258	229,882,755
	The employer's office has sent a corrected statement of the 28 days it paid for in error. The overpayment has been taken back from this credit, and the employer asks that the error not be repeated, which the Bank has passed on without comment. Ref. CIBT-3003-6005-1		
13 May	Slippage fee (Oakland Sector, 6 transfers)	-5,400	229,877,355
	The statement was printed before the 13th crossing was struck from the relay's books. The fee for it has been removed, and the transfer, which was never made, has not been charged. The statement came back with a pressed fern, brown at the edges, which the Bank has filed beside it. Ref. CIBT-3003-6508-9		
17 May	Transfer to own account: Oakland Sector	-638,714	229,238,641
	A transfer to 8564-2705-0708 from Oakland Sector arrived in days and was converted at the posted rate on the day it landed, not the day it left. The sender's office asked which day the Bank meant, and the Bank has said the day it landed. Ref. CIBT-3003-F166-5		
30 May	Transfer to joint account	-991,354	228,247,287
	The Teller asks whether the joint transfer is still a joint transfer or has become one holder's errand. She has been told it is still joint, and that the errand is the one who signs. She has entered both. Ref. CIBT-3003-79C1-6		
31 May	Interest at 4.10% APY	+779,787	229,027,074
	The officer found the interest 56 seconds larger than the balance that had been reported, and asked the depositor whether the difference was a gift. The depositor said it was the interest, and the officer agreed that it generally is. Ref. CIBT-3003-2AF9-0

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
