Date	Description	Amount (s)	Balance (s)
03 Jul	Transfer to own account: Lagos Sector	-110,534,597	735,390,466
	The sundry charge at Lagos Sector for a lost key is paid in the station's own units, converted at the posted rate and then rounded up, as local custom requires. The custom is older than the ledger and has never been shown to be wrong. Ref. CIBT-3003-D83A-8		
07 Jul	ATM withdrawal: Lagos Sector	-86,400	735,304,066
	Your receipt from Lagos Sector reads 86,400 and the balance reads One Standard day, and the Bank has been asked which of the two you intended to take. You took the second, and the first has been struck as a figure the machine was too keen to print. Ref. CIBT-3003-EEA3-2		
08 Jul	ATM withdrawal: Lagos Sector	-86,400	735,217,666
	Interworld Post has arranged for its night-shift cash to be drawn from the machine at Lagos Sector in 4 equal parts, so that no one person carries it the length of the concourse. The finance office set this out in a letter, which the Bank has filed with some pleasure. Ref. CIBT-3003-8F53-8		
22 Jul	Slippage fee (Lagos Sector, 8 transfers)	-7,200	735,210,466
	Crossings from the Lagos Sector counter are timed on the local day, which runs longer there than ours. The fee on the 8 transfers was worked on the Standard day, and the local day has been converted once, which the Bank regards as enough. Ref. CIBT-3003-0923-4		
29 Jul	Payroll credit: Interworld Post	+5,016,739	740,227,205
	Interworld Post sends a wage in the form of a voucher redeemable at its own canteen. The Bank converts the voucher at the posted rate and credits it in seconds. The canteen has been asked to accept seconds in return and has said it will think about it. Ref. CIBT-3003-901D-0		
31 Jul	Interest at 4.40% APY	+3,101,725	743,328,930
	The rate on the front of this statement was printed correctly and the figure beneath it was not. The figure has been recalculated from the rate; the amount credited is the one you were always owed. Ref. CIBT-3003-A54E-7		

Closing balance, month by month

August 3002 July 3003

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
