Opening balance	Credits	Debits	Closing balance
62,584,252 s	**+698,251 s**	**-4,852,732 s**	**58,429,771 s**

Date	Description	Amount (s)	Balance (s)
02 Mar	Turbulence Cover	-26,189	62,558,063
	A delay on the Bronx Sector run was entered in full, though the boat had docked 18 minutes before the end of it. The rest was the carrier waiting to be sure the passengers had got off, and the waiting is covered. Ref. CIBT-2995-F4F2-9		
05 Mar	Slippage fee (Bronx Sector, 9 transfers)	-8,100	62,549,963
	The relay at Bronx Sector would not send a crossing until it had been assured the crossing was expected. Yours was expected by the Bank in the usual way, and the Bank has said so in writing, which the relay has filed. Ref. CIBT-2995-3050-7		
05 Mar	Transfer to joint account	-268,748	62,281,215
	Each month the Bronx Sector share is sent in a sealed container that arrives with the seal broken and the sum inside intact. The Bank has recorded this as a customary delivery and does not ask about the seal. Ref. CIBT-2995-3C83-2		
18 Mar	Payroll credit: Interworld Post	+447,914	62,729,129
	The wage arrived in one lump, as the employer asked, and the Teller has written in the margin: one lump, not two, please note the lump. Ref. CIBT-2995-E540-9		
23 Mar	Transfer to own account: Bronx Sector	-4,549,695	58,179,434
	An earlier sundry line described this as an adjustment. It was a refund of a fee charged in error, and is shown here under its proper name. The net amount is unchanged. Ref. CIBT-2995-B743-1		
31 Mar	Interest at 4.80% APY	+250,337	58,429,771
	Interest accrued across 28 days of the rate change and was worked out in two parts, the old rate and the new, each rounded to the second before they were added. The two roundings differ by 600 seconds, and the Bank has noted the difference and kept the lower figure. Ref. CIBT-2995-6BB6-7

April 2994 March 2995

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
